THE SPIRIT OF FREEDOM

The Spirit of Freedom is a feeling deep within every soul. It is that urge to stand and fight for what you believe in. It is what has moved men and women of the ages to break the chains of suppression and ignorance to create a better world for mankind. It is what motivates people to search for a better way. It inspires them to create masterpieces in the arts as a means of expressing oneself. It makes them accept new challenges and overcome them. Here at Virgin Valley, students are learning to accept the challenge of a better world. The Spirit of Freedom within them is expressed in the Athletic Events, in Drama Productions, and in the classroom. Throughout the year they learn to express themselves as individuals.

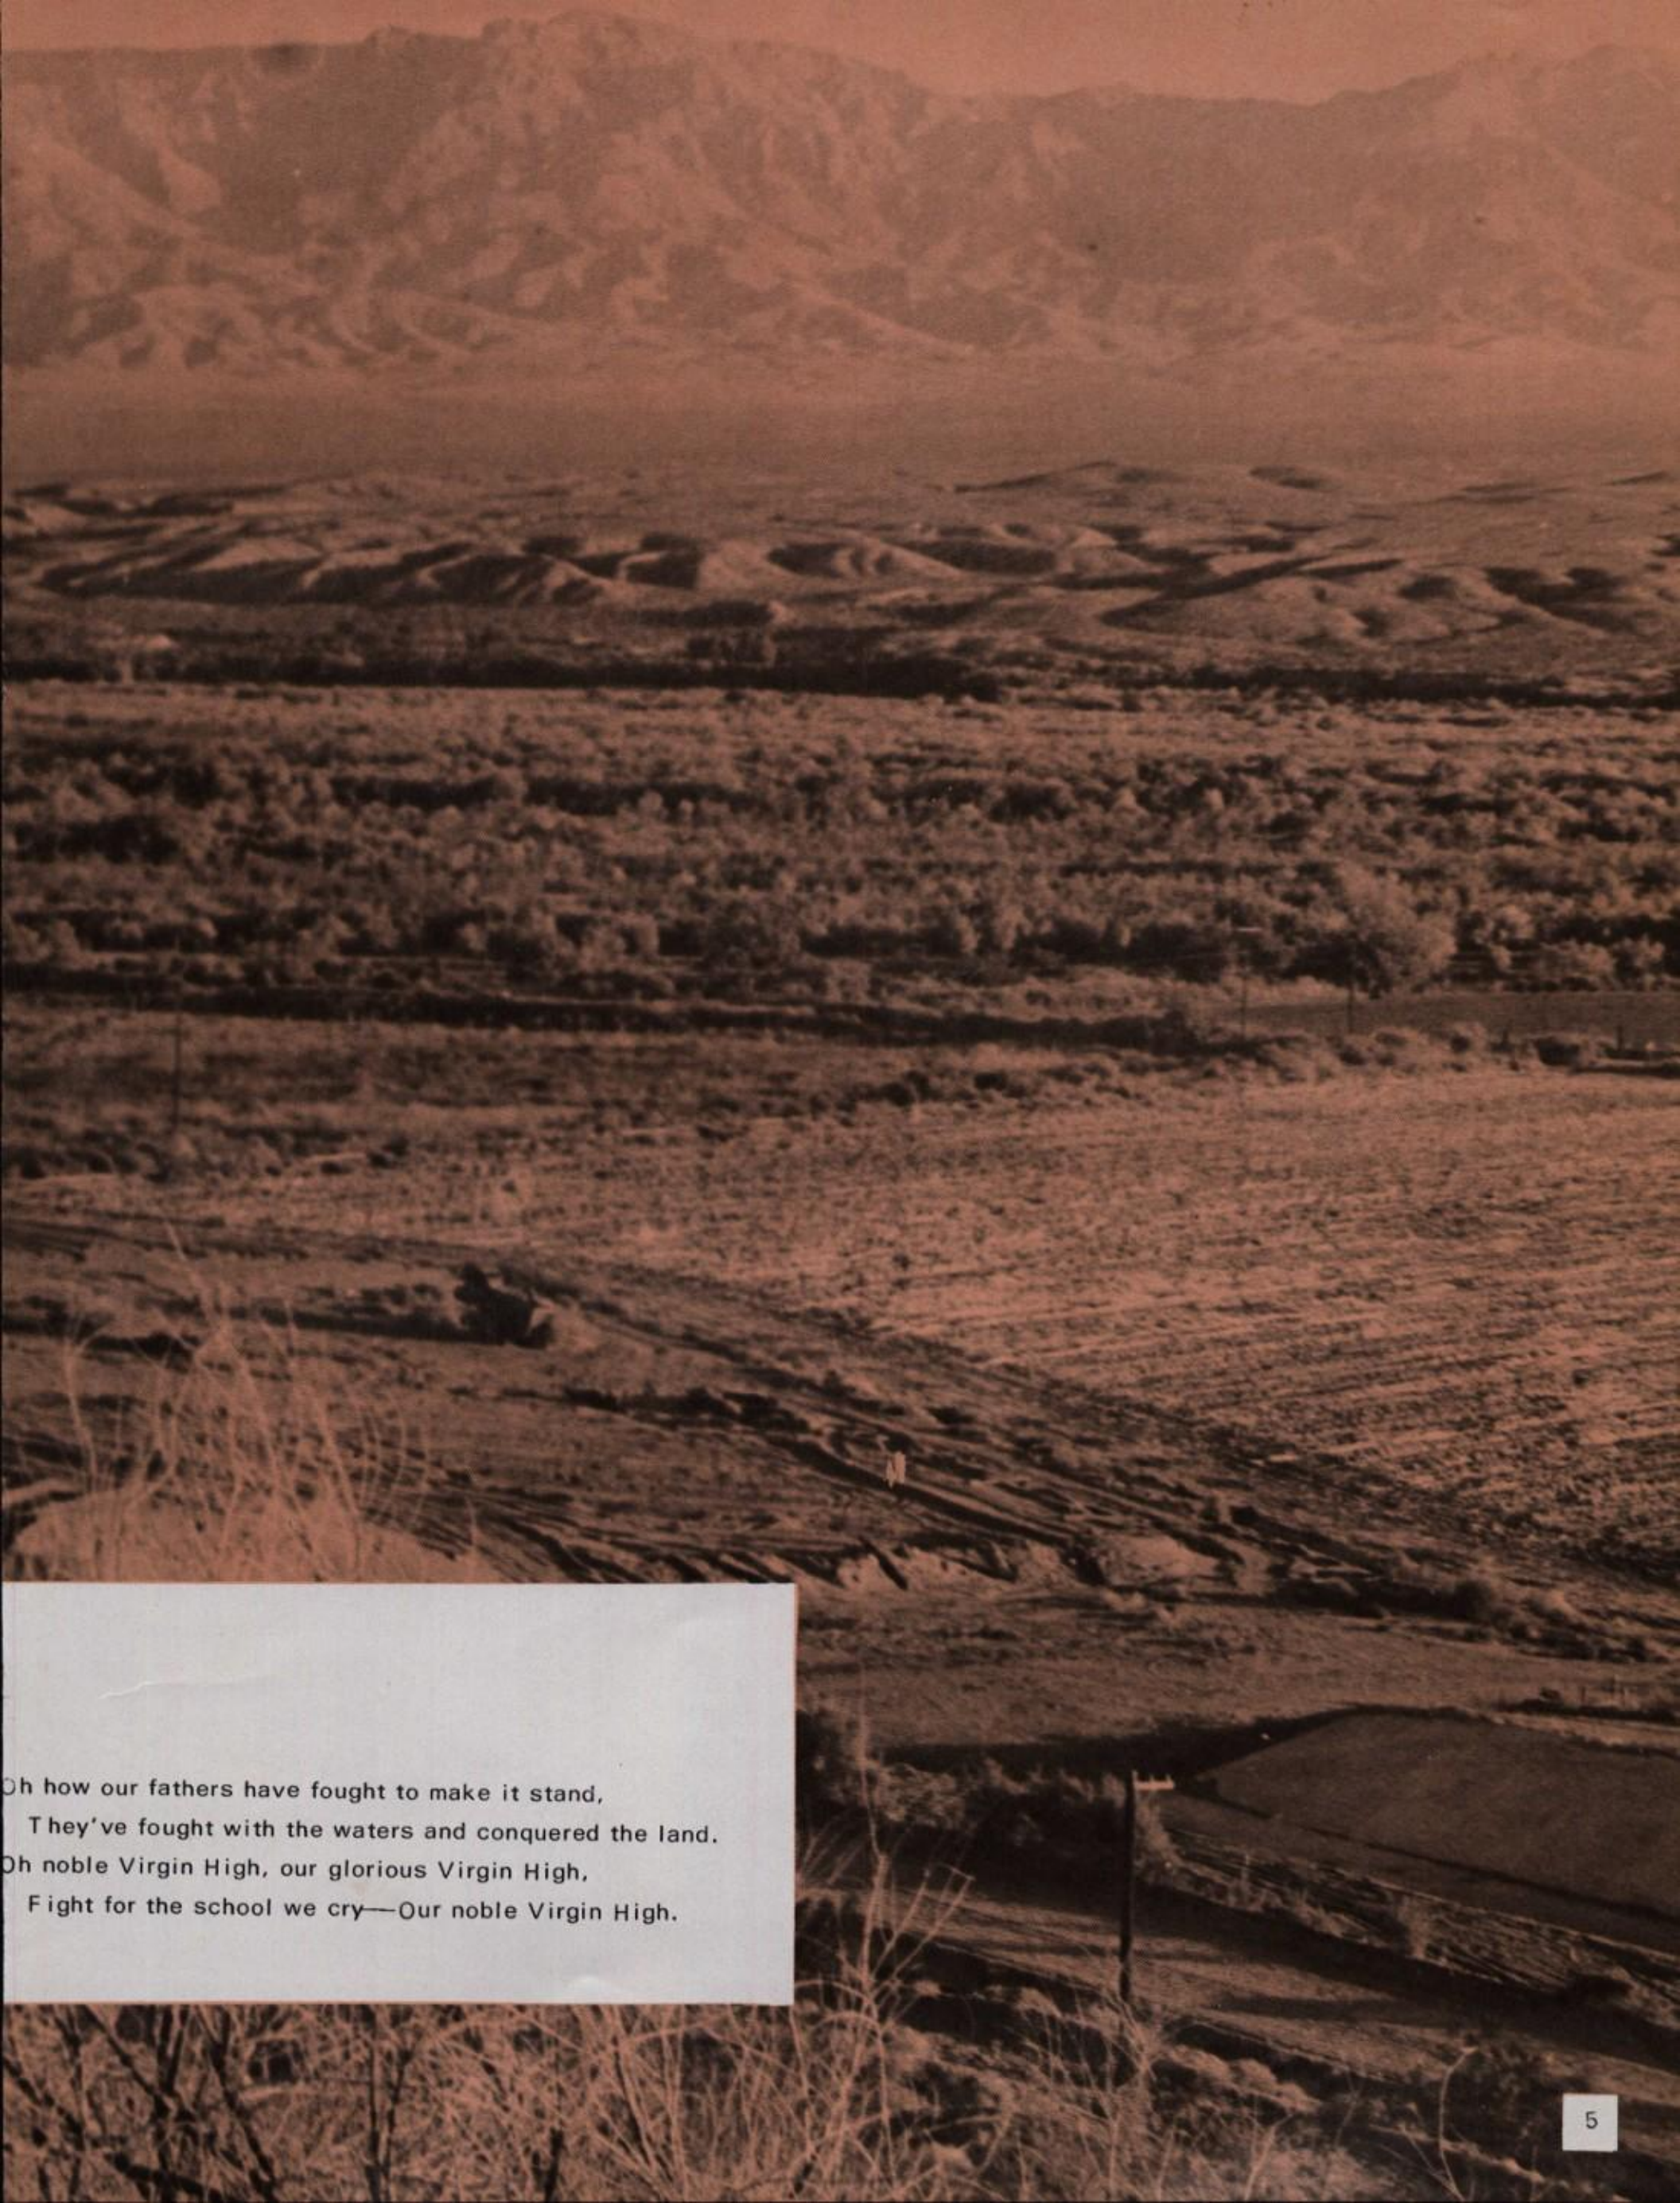

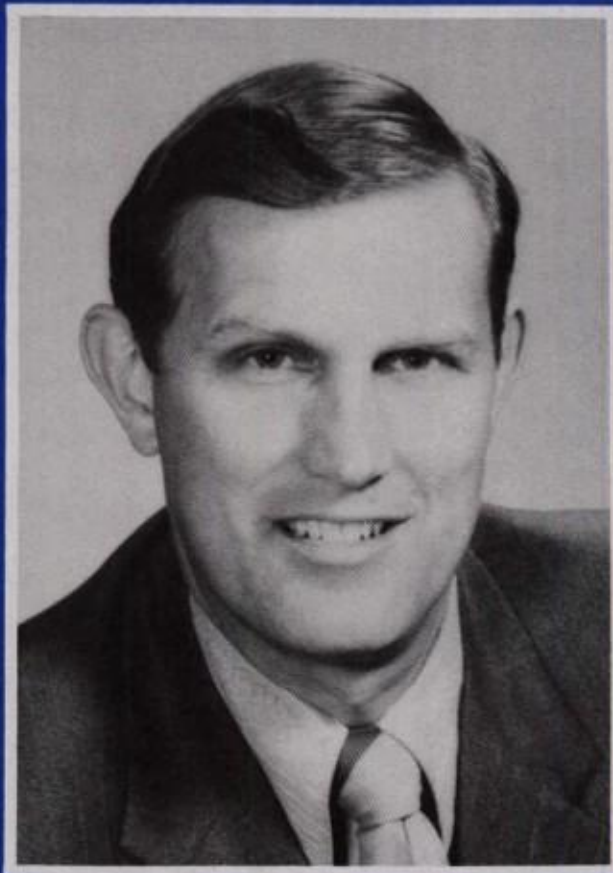

VIRGIN VALLEY HIGH SCHOOL SONG

There stands a school away in the West,
Cradled by mountains, by breezes caressed;
Where once the Yucca and cactus held sway
Now stands the Virgin High, our pride and joy today.

We love this school, it helps us to live,
Be clean and growing, its motto doth give
Truth has a searchlight, illumines our goal
Free thought, good faith in men and strength in self-control.

Oh how our fathers have fought to make it stand,
They've fought with the waters and conquered the land.
Oh noble Virgin High, our glorious Virgin High,
Fight for the school we cry—Our noble Virgin High.

THE SPIRIT OF FREEDOM AT VIRGIN VALLEY HIGH SCHOOL

Freedom is the echo we hear in the halls of Virgin Valley High
Freedom as big and as wide and as great as a Virgin Valley sky

Freedom must permeate both the body and the mind
Freedom is the obligation to think and speak positively of others, not to be unkind

Freedom is to have a respect for self and give love to others
Freedom is the realization that kids from other schools are also our sisters and brothers

Freedom is the right to be part of athletics, cheerleading, drillteam, band or drama
Freedom is the right to participate without the fear of trauma

Freedom prescribes that we do our best as we pursue our study
And Freedom dictates that we keep our minds healthy and clear, not muddy

Freedom is the sound of a cheer at a football game, the feeling of playing our best
Freedom is the self-satisfaction of scoring highly on a history, English, or
biology test

Freedom is not unharnessed, not unrilled, not unbound
Real freedom has constraints--not an uncontrollable sound

Freedom is the right to act, to read, to look, to glee
But freedom also has regulations--what I do should hurt no one, but if so it must be me

Freedom is the right to do, to pense, to pause, to ink
What freedom really is...is the opportunity to think

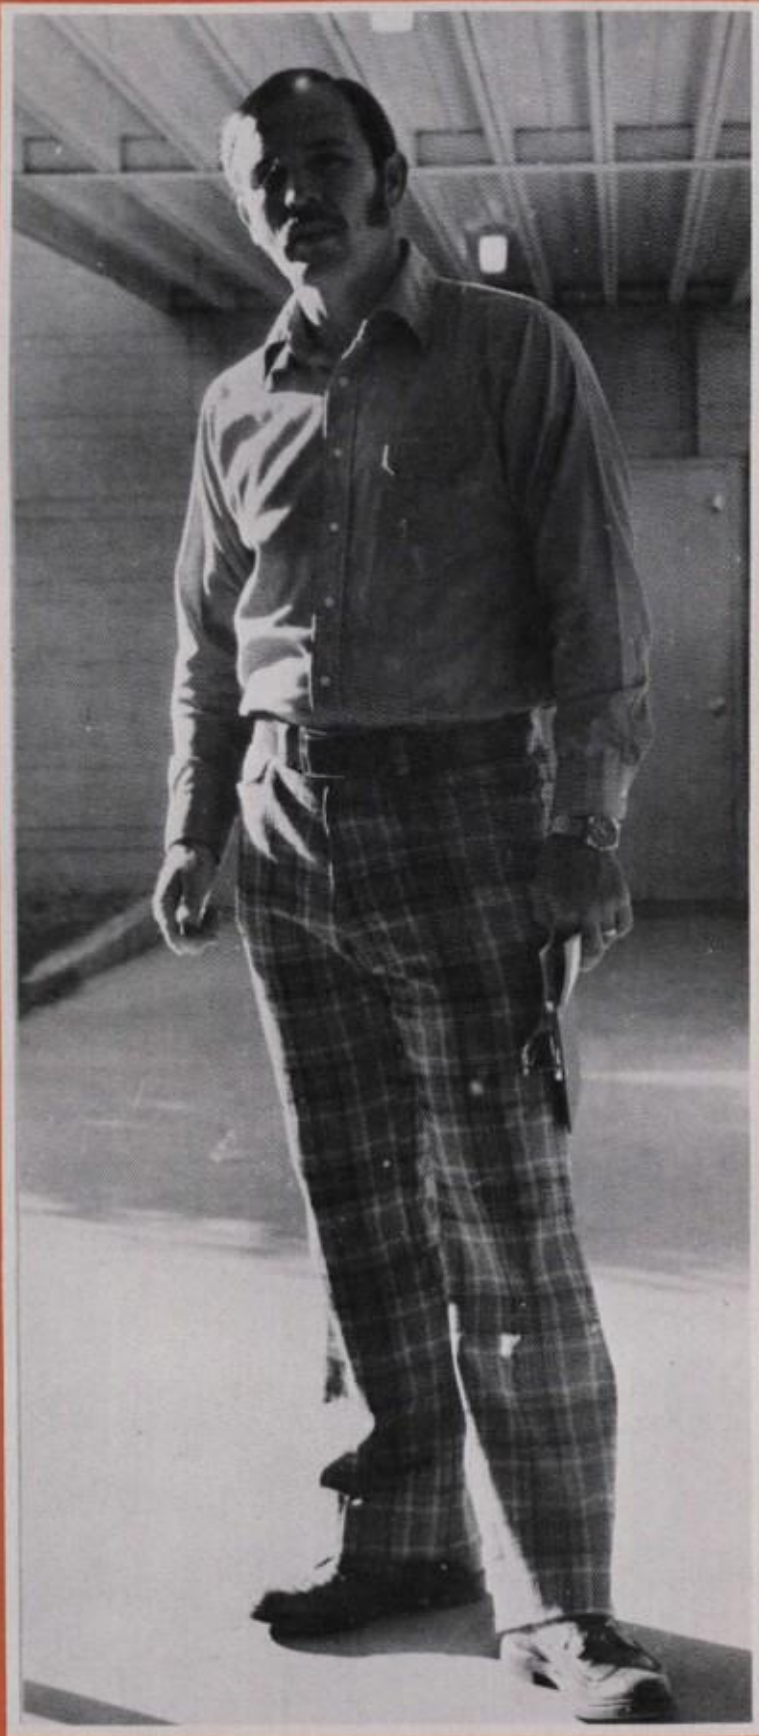

Freedom means manners and self-discipline, too
Freedom means respect for others--because you respect me, I respect you.

Freedom was born because our ancestors died in the cause
Now it is our solemn obligation to sustain justice and man-made laws

Freedom does not mean excessive permissiveness...that we do as we well feel
Freedom does mean self-control and thoughtful decisions, not a license to steal

And when at end I exhaust a reflective sigh,
I realize that freedom is reflected by Virgin Valley High

STUDENT BODY OFFICERS

As we pass on through the years, I hope that every one of us will be able to say, "I had the Freedom to be myself."

I, as a person, think that the freedom to act, say, and be as you are, and not false, is something you should hold high on your shoulders.

I will always be grateful for the opportunity of serving you as Student Body President. I hope that I have not been false in anyone's eyes, but that I was Dale Tobler and no one else.

This is the Bicentennial year and I think everyone should stop and thank our heritage for the freedom that we have.

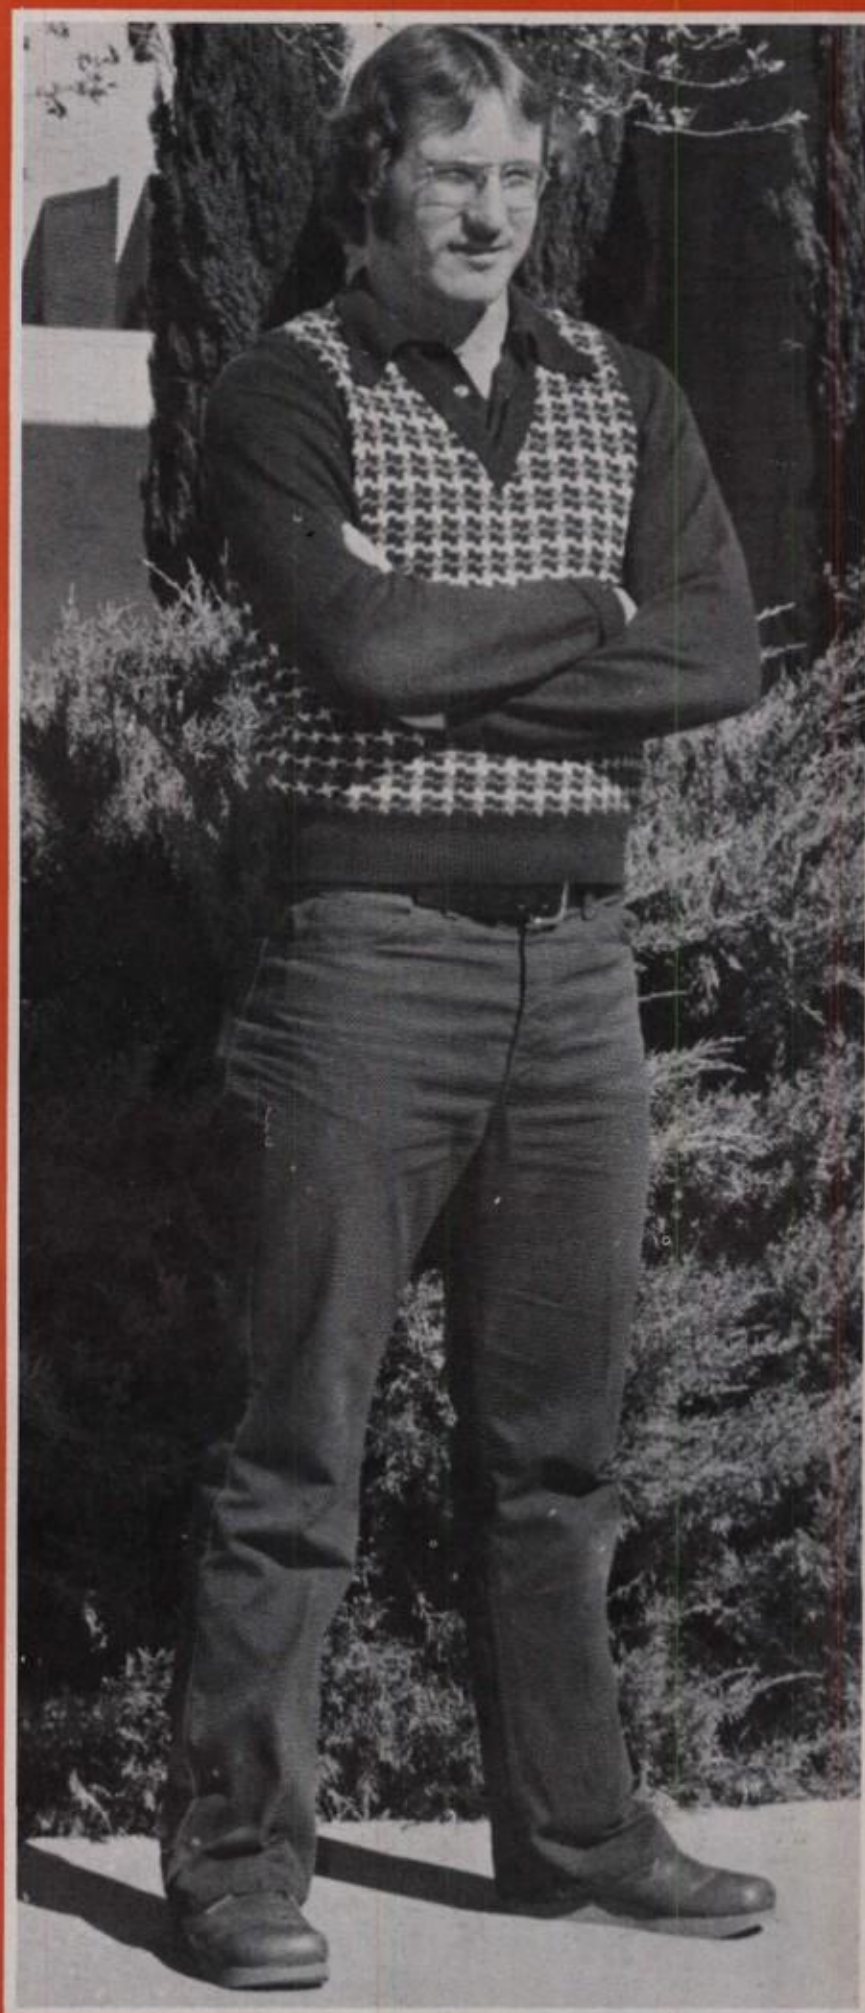

I know that this year will have memories that will be held dear to my heart and I hope yours.

I thank you and may God bless you all!

STUDENT COUNCIL

One goal of the Student Council this year has been to make this an outstanding Bicentennial year. Many memorable events from our Homecoming in October to our Graduation in June has reflected the pride they had in the ideals and achievements of our country, our state, and our school. Lead by Dale Tobler the Student Council has met weekly and spared no effort to make this year a creditable and pleasant one.

SENIOR HIGH

The Spirit of Freedom is expressed through students and their activities! In Senior High School they find many ways of doing so. You can find students working hard at the different Sports of our school and in various classes, by putting together Assemblies and Drama Productions. After all this work they even find time to relax and take it easy for a while.

ACTIVITIES

This year has been full from month to month of different and exciting activities. The various clubs and Student-Body officers have sponsored Homecoming, Harvest Ball, Mr. Dream dances, Sock Hops and strange initiation days. The sports have been exciting and thrilling for the players and Cheerleaders as well as the fans. Yes, this year we the students of Virgin Valley have explored and experienced the many planes of the Spirit of Freedom.

VV-ETTES

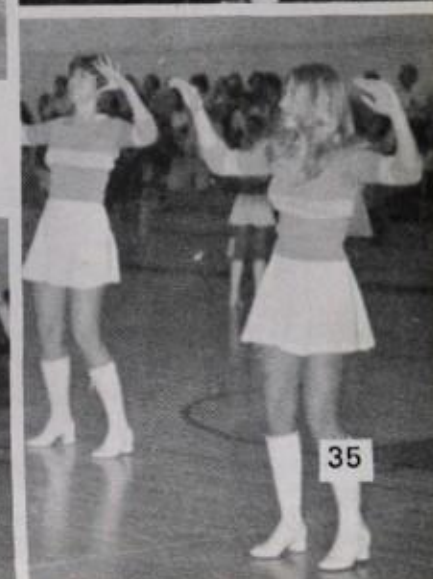

For the VV-ettes, this year has been challenging and fun. From our first drill, "Dynamite," during the football season, to our Homecoming Pageantry with all those balloons, to our Christmas drill as Tin Soldiers, to "Love Will Keep us Together" in which we were dressed as Raggedy Anns, red curly hair included, to our "Kung Fu" at Moapa, we have spent many hard hours in practice learning amidst laughter and friendship, the many varied Drills. In the Spring we topped it all off with a successful Drill Team Review. We hope that next year will be as exciting.

F. H. A.

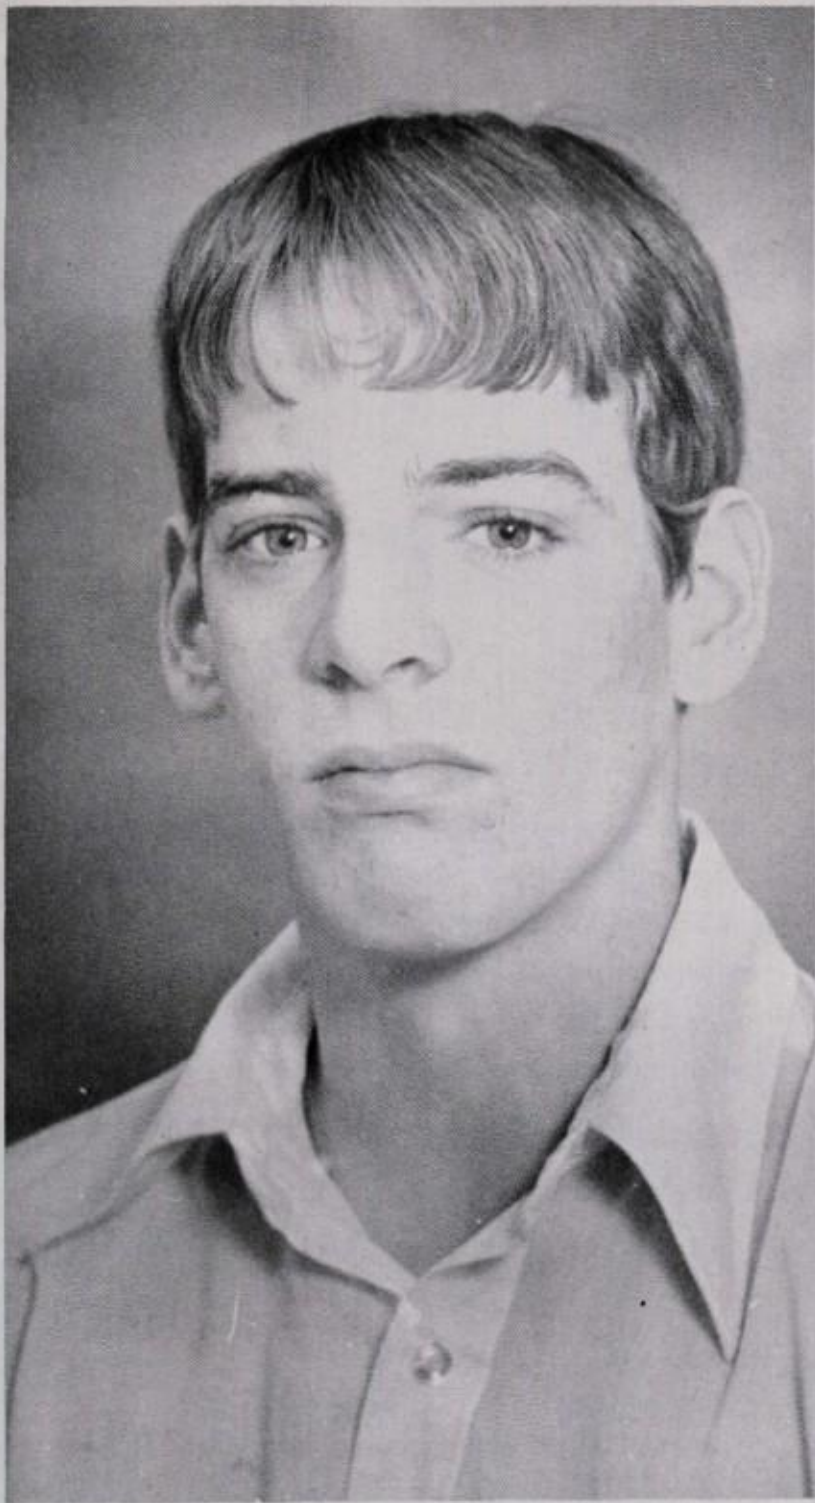

Under the direction of Mrs. Hughes, the F.H.A. started the year with enthusiasm and determination to make the year exciting for all. The initiation of new members started the year out with lots of spirit followed by the Mr. Dream Dance where Richard Jensen was announced Mr. Dream for 75-76. There was the early morning breakfast with many half awake girls who didn't have any make-up on. The fashion show was a big event in the Spring which involved the mothers in a luncheon. The year has been an exciting year for the F.H.A. members.

SANDSCRIPT

L ester L ee

The Sandscript Staff this year has been a very busy bunch. All of them are new to the staff including the editor Debra. So everything was a whole new experience to them and it has been a big job getting the news of the school. They have tried out new ideas and improved the old methods. It has been a successful and rewarding year for both the staff and the Student Body.

YUCCA STAFF

The production of the yearbook is a very big project for each member of the staff. We have tried to record all the events and activities of the year in the best manner possible. In describing these efforts of the staff we would call them chaotic, creative, boring, exasperating, and down right hard working. Under the direction of advisor Mr. Clarke and editor Joan Clarke the Yucca staff griped and worried about deadlines, lost pictures, spilled chemicals, and even worked sometimes. But we enjoyed playing a part in creating this yearbook.

This year Homecoming was a great success to say the least, with Gina Biasi in charge of the activities there was a lot of participation. With the theme "America is ..." many colorful and patriotic floats were entered. The Band played and the Drill Team marched, the clowns frolicked and the crowds applauded. At the football game half time activities were fantastic! The Drill Team led the half time entertainment with pagentry and balloons. Lorraine Weber was crowned queen to rule and reign over the activities of the Weekend.

Mr. Broadhead
Director

This year, under the direction of Mr. Broadhead, the students of Virgin Valley High School presented the musical "Lil Abner" on March 24, 25, and 26.

It was, in Mr. Broadhead's opinion, a college production yet the students handled it very well.

At times it was hard to believe that under all that pancake and paint was just another harmless student. The cast was a very talented and versatile group. It was a fun musical and very well received by the community.

FINE ARTS

During the last part of March, the Annual Fine Arts Show was on display. There was a variety of art forms by various artists from around the West. The Show, collected by Michael Clarke, the head of our Art Department, was a delightful and interesting collection ranging from our own students work to amatuer to the professional artist.

This year the guest Artist was a vary talented young man from the Salt Lake area, by the name of Richard Murray. He gave an informal demonstration in oil painting, answering questions from those around him.

This year's Fine Arts Show was very successful in giving the community more of an idea of what the world of Art is all about.

The Seniors were shouting and Mr. Clarke too. The Juniors and Wittwer were yelling back Booo.

*The whitewash was flying amid shouts of joy.
Good grief its a snowman, no just a white boy.
You can tell without doubt that this is V-Day. Oh
look, a mud-ball, no it's D.J.*

*Between whitewash, eggs and the water hole too,
for teachers and students there's plenty to do.*

*We end with the great race, our cross country run.
The Juniors are winners. but we all had fun.*

Junior-Senior Prom

A delightful evening was spent in the surroundings of 'Dream Weaver'. The old gym was decorated into the images and thoughts of a dream. Starry-eyed couples danced under a canopy of balloons and butterflies. The highlight of the evening was the floorshow performed by Juniors and Seniors, and then the crowning of the Kings and Queens. The evening was a delightful success.

We believe the home . . . and its environment . . . is one of the single most important factors in the healthy development of human life.

But to get it all started . . . see us for one of our home loans.

We LIKE playing a role in homes where children "aren't afraid when night comes."
